Greater Noida, UP

OBJECTIVE

- Eager and adaptable individual excited to kickstart a career as a Data Analyst. Ready to bring analytical skills to contribute valuable insights and enhance decision-making in a dynamic business environment.

EDUCATION

MCA(Data Analytics) Galgotias University, UP 2022 - 2024	SGPA 9.0 / 10
BSC(CS) Maharishi University of Information Technology, Lucknow, UP 2019 - 2022	% 76.4 / 100
Intermediate C R C G Inter College Bhira Kheri 2019	% 68.8 / 100
High School C R C G Inter College Bhira Kheri 2017	% 74.8 / 100

PROJECTS

Machine Learning Project – College Project

House Price Prediction Using Linear Regression:

Cleaned the data using **Python (NumPy, Pandas)** and Performed Linear Regression to find the Price of the House

<https://shivamji-shortcode.github.io/Portfolio/>

Basic Image Classification:

Cleaned the data using **Python (NumPy, Pandas)** and Performed CNN Algorithm for Classification.

<https://shivamji-shortcode.github.io/Portfolio/project.html>

Power Bi Dashboard

TCS Stock Price Dashboard - Personal Project

Understanding the creation of relationship between fact & dimension tables, DAX measures and visualize it by **Power BI**.

Python Projects – Personal Project

Cleaned, Analyze, Visualize and perform EDA with various **Python Library**.

SKILLS

C Python C++ Machine Learning
Deep Learning Data Analytics SQL
Problem Solving DSA VsCode

CERTIFICATE/PUBLICATION

AWS Academy Data Analytics

Research Paper Work - Machine Learning

Published a research paper in the **EAI-ISISML** journal on topic **Diabetic Retinopathy Eye Disease Detection** using CNN algorithm in Machine Learning.

INTERNSHIP

Data Analytics Virtual Internship

AWS Academy

05/2023 - 07/2023

Completed 10 weeks Data Analytics Virtual Internship.

Bharat Intern

07/2023 - 08/2023

Completed 4 weeks Machine Learning Virtual Internship.
